

Great American Insurance Group Presents

A Powerful Solution for Bullying

The end of bullying starts here.

One of the biggest risks your schools face is bullying. 71% of K-12 students have seen or experienced bullying. This problem has compelled all 50 states to introduce anti-bullying laws.

How do you help ensure students feel safe in school, while at the same time minimizing your bullying risk?

Great American Insurance Group's Public Sector wants to make sure students feel safe. Because of this, we are proud to introduce our relationship with STOPit.

STOPit is a simple, fast and powerful solution to:

- **DETER** inappropriate behaviors both online and off;
- **REPORT** harmful and inappropriate conduct, unethical or illegal activity; and
- **MITIGATE** financial and reputational risks to schools.

To see how your schools can benefit from Great American Insurance Group's relationship with STOPit, contact us at 855-999-0932.

HOW IT WORKS

STOPit provides a comprehensive software platform that mitigates, deters and controls bullying, cyberbullying, harassment and other harmful or inappropriate conduct. The power of STOPit's technology lies in enabling your students to take action.

The STOPit mobile app:

Arm your students and educators with the ability to anonymously report bullying at the touch of a button. STOPit is a simple, fast and powerful tool. It empowers individuals to protect themselves and stand up for others online, on social media and in the classroom.

The DOCUMENTit management system:

Arm your schools' administrators with this streamlined system to manage incidents reported in real-time via the STOPit mobile app. DOCUMENTit is a proactive and completely customizable solution that helps schools save time, allows them to organize data, identify trends, measure progress, and help ensure regulatory compliance.
